Year 1 Easter Assembly

Our Year 1 Easter Assembly was a fantastic event, the children were amazing performers! They children showcased their talents through various performances, but the highlight was undoubtedly the escape room activity. Parents were fully involved, finding clues hidden under their chairs, which they used to solve an anagram together with their children. It was such an interactive and fun assembly and also fostered teamwork and problem-solving skills. We are incredibly proud of our Year 1 children for their enthusiasm and hard work in making this assembly a memorable occasion.

Courtesy to Local Residents

We kindly remind all parents to be considerate of our local residents when collecting children from school. Please ensure that cars are not left idling, as this can cause unnecessary noise and air pollution. By turning off your engines while waiting, you help create a more peaceful and environmentally friendly community. Your cooperation in this matter is greatly appreciated and contributes to maintaining good relations with our neighbours.

VE Day Reminder

On the 8th of May, we will be celebrating VE Day to commemorate 80 years since the end of World War II. Children are encouraged to come to school dressed in red, white, and blue to mark this significant occasion. We have emailed a flag template to all parents, which children can use to create their own flags. Throughout the day, there will be various classroom activities and an assembly to help students understand the historical importance of VE Day. We look forward to seeing everyone participate in this special event.

Have a fabulous bank holiday weekend.
