Sports week 2025—Round up from Mr Cav!

Another Horsted Sports Week has come to an end and we come away with fresh, new dance moves, deadly Robin Hood skills, lots of great exercise and a nice tan.

At the beginning of the week, we loved an African Dance workshop. The children learnt a bit about the music they were listening to and helped choreograph and learn an African style dance. It was very energetic, fast and rhythmic – it was brilliant.

Later in the week, all the children had a go at some archery! Just like Robin Hood, the children used a bow and arrow (with a sticky end) and tested their accuracy across the playground to see if they could hit the target boards. Amazing how many natural archers we have here at Horsted. Watch out Olympics 2032 in Australia, Horsted are coming!

And of course, Thursday, we had a really successful, sunny, sports day. Everyone participated, gave their all and had a great time. The parent races were epic as always as well. A huge congratulations to Delce in the Juniors who have now won three years in a row! Will anyone end their domination next year? In the Infants, quite amazingly, there were joint winners in Amhurst and again – Delce!

Thank you to all of the parents who patiently waited inside the designated area, it was much appreciated.

Just to add to Mr Cav's round up, a huge thankyou again for such lovely emails about Sports Day and it's organisation— Mr Cav and the Greenacre teachers and pupils did a great job.

Have a fabulous weekend.
